INDEX

OUR **VIBE:** MADE IN ITALY WITH CARE AND LOVE.

With HJ you're not just wearing glasses.
You're saying who you are — and how you want to be seen.

We're for those who don't follow the herd, but set the beat.

Each frame is born in Italy, crafted with true
passion and attention to detail.
Bold lines, striking colours, and comfort you can truly feel.

HJ is that extra touch. It's style, attitude, the right vibe.

Made in Italy with care and love.

OUR **VIBE,** YOUR **ENERGY.**

COLLAGE COLLECTION

THE MIX THAT MAKES IT POP

Here everything blends: colours, textures, vibes.
The COLLAGE Collection is a controlled explosion of style, where layers of acetate merge into a mix you simply can't ignore.

Nothing is left to chance. Each frame is a unique piece — the perfect combo of art and personality.
Just like you: made of different shades that together make the difference.

With COLLAGE, unity isn't just strength.
It's look, energy, identity.

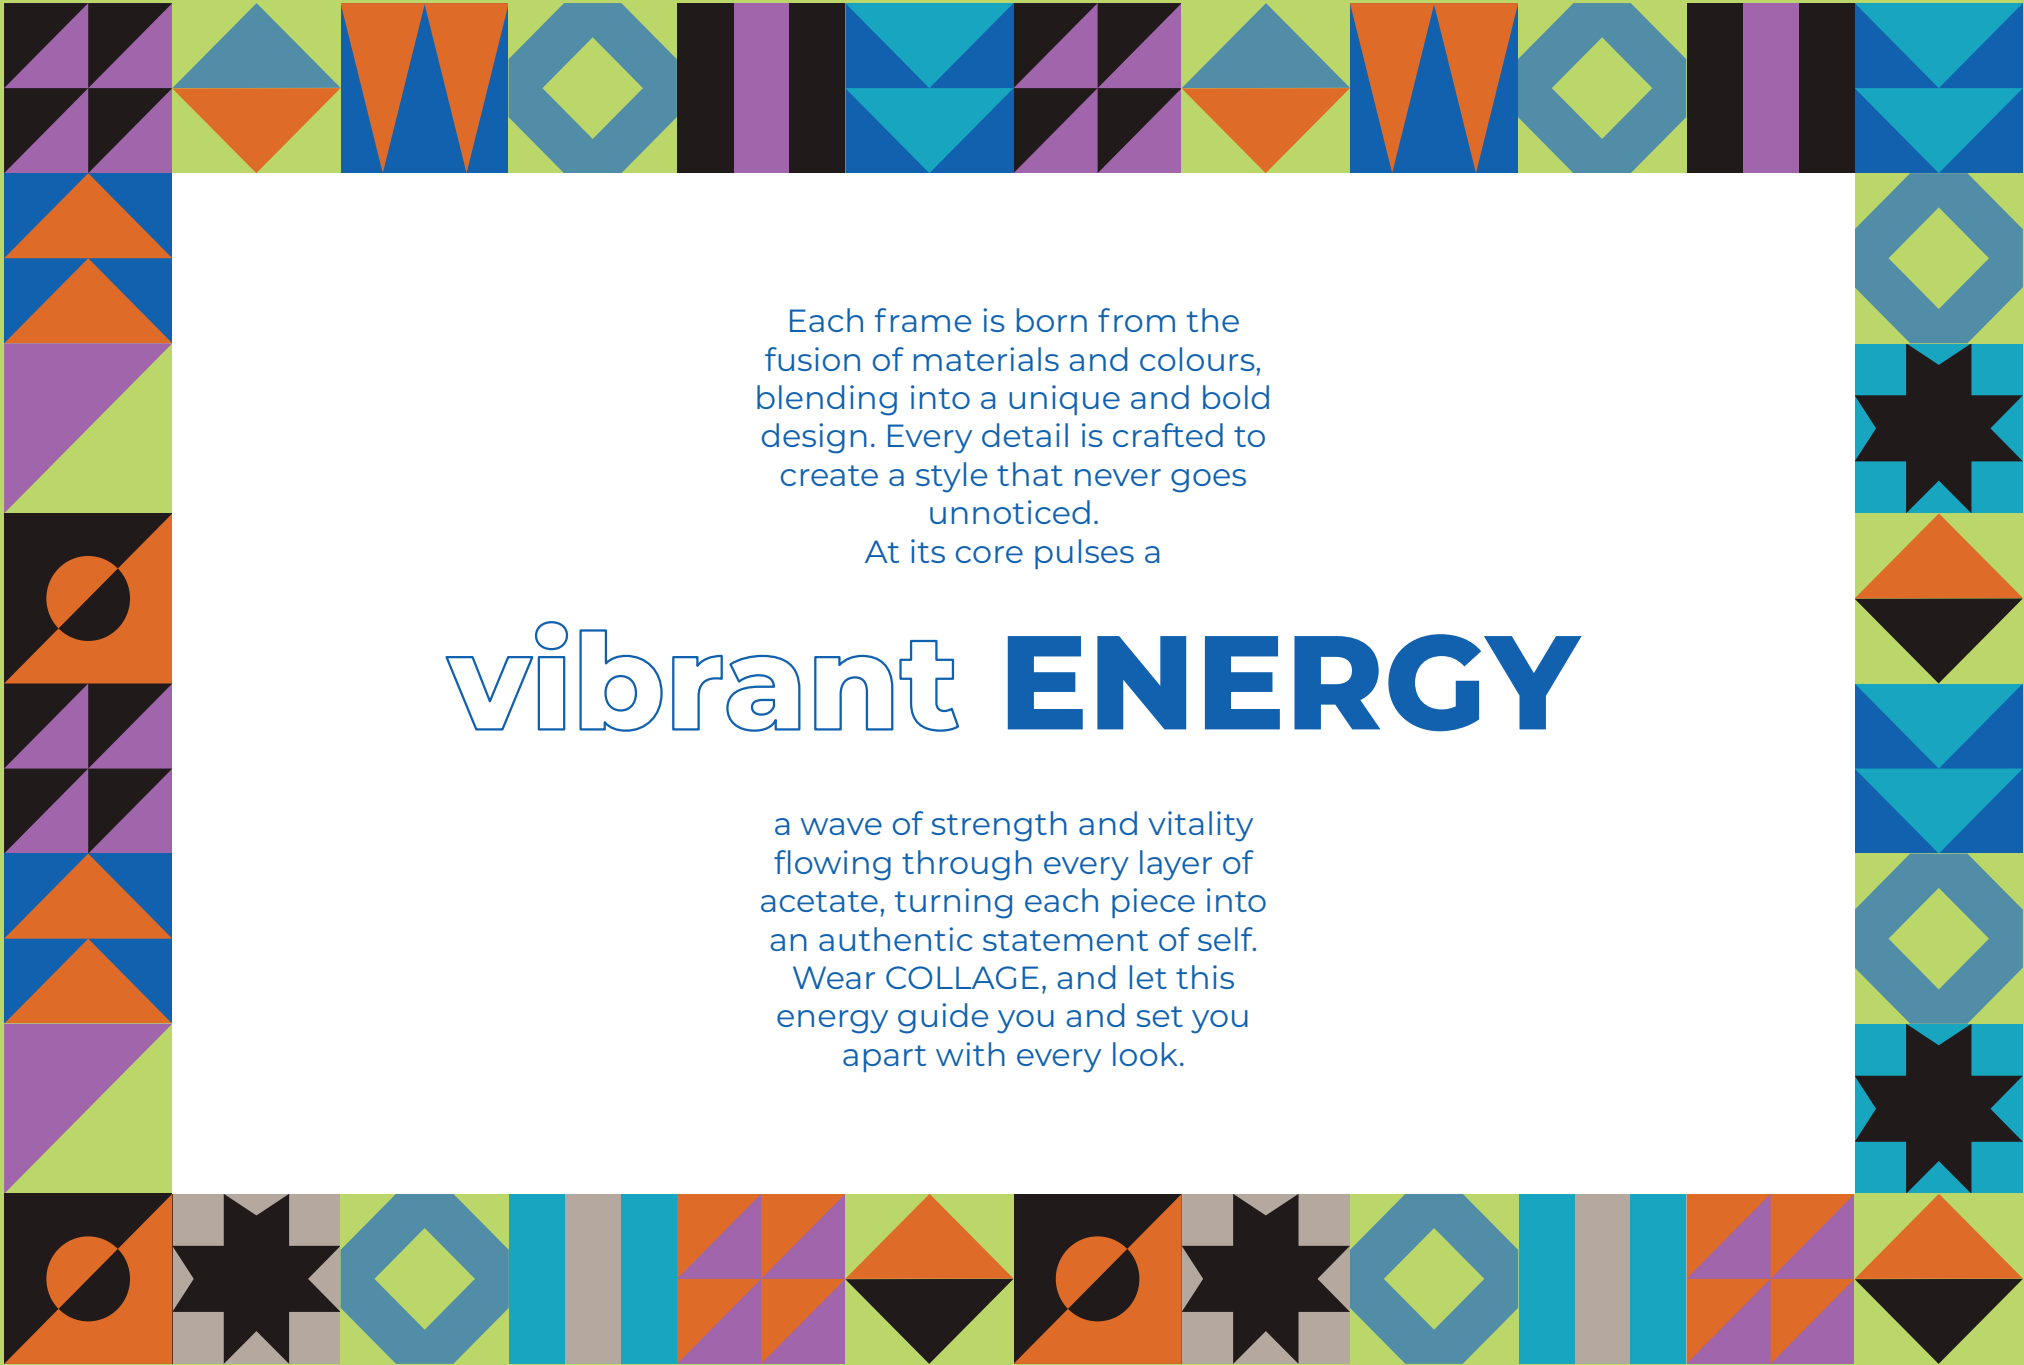

ACETATE REMIX

Colours and textures overlap in a bold play of contrasts, giving life to frames that never go unnoticed.

Each piece is a vibrant mix of creativity and personality, designed for those who aren't afraid to stand out.

These are not just glasses — they're an explosion of energy made to make you shine.

Be special, be unique.

Each frame is born from the
fusion of materials and colours,
blending into a unique and bold
design. Every detail is crafted to
create a style that never goes
unnoticed.
At its core pulses a

vibrant **ENERGY**

a wave of strength and vitality
flowing through every layer of
acetate, turning each piece into
an authentic statement of self.
Wear COLLAGE, and let this
energy guide you and set you
apart with every look.
