Made in Italy with care and love.

OUR **VIBE,** YOUR **ENERGY.**

PIN COLLECTION

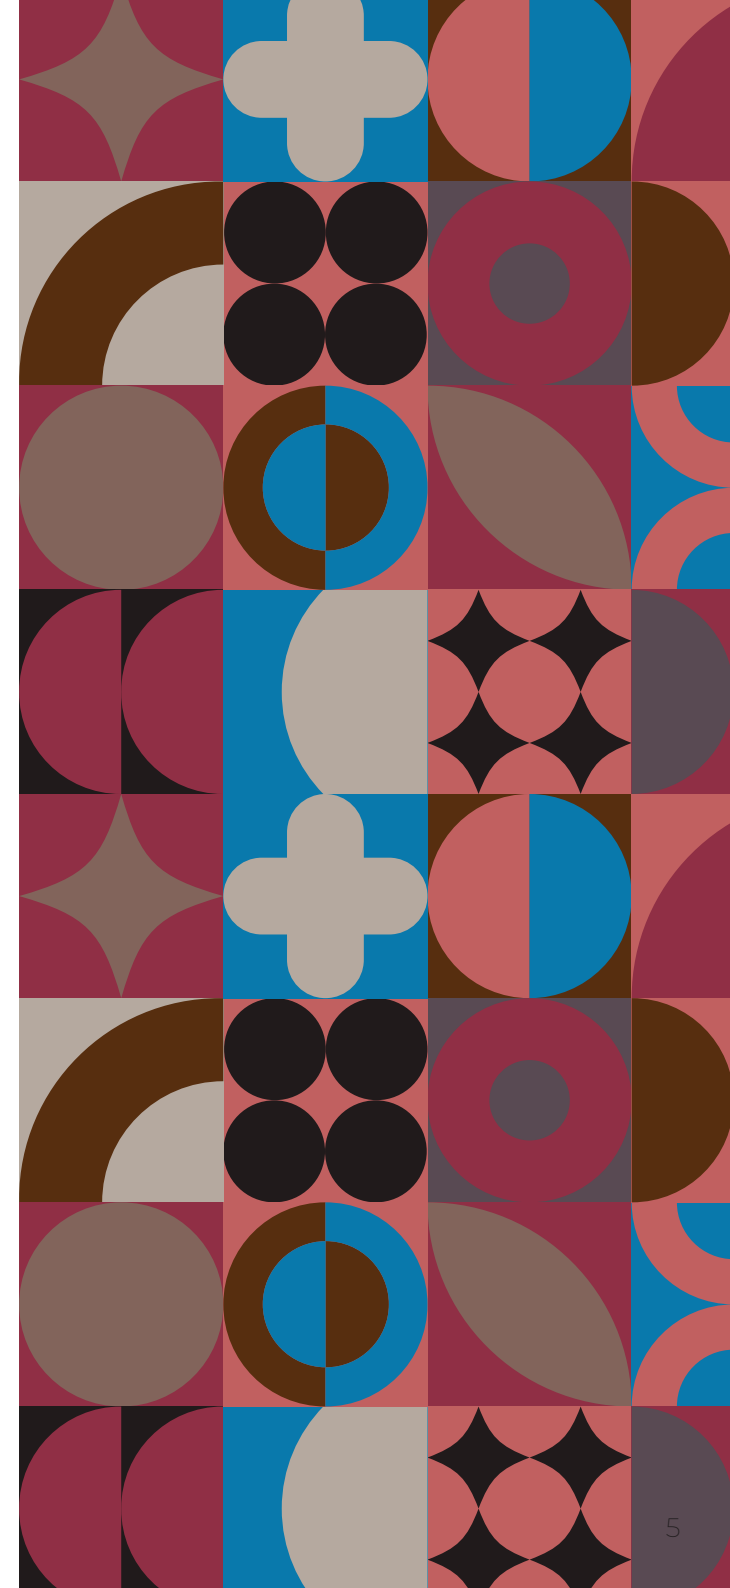

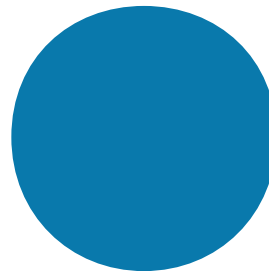

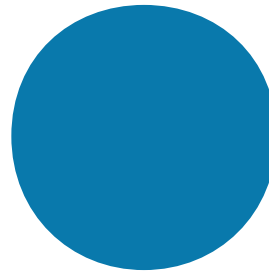

THE DETAIL THAT POPS

In a world doing everything to stand out, sometimes one dot is enough. **Or two.**

In the PIN Collection, every detail has meaning. The two iconic rivets aren't just decoration — they're the hallmark of those who know how to be noticed without raising their voice.

Minimal design, clean lines, bold style. The "PINs" add character with subtlety, like a precise accent that makes the whole look unique.

Because true style doesn't need to overdo it. Two dots are all it takes. And all your attitude.

DETAIL AT ITS BEST

It's not just a detail.
It's the focal point.

The rivets of the
PIN Collection don't go
unnoticed — they're the
signature touch that lights
up the look.

Minimal yet bold, they
speak of style, precision,
and character.

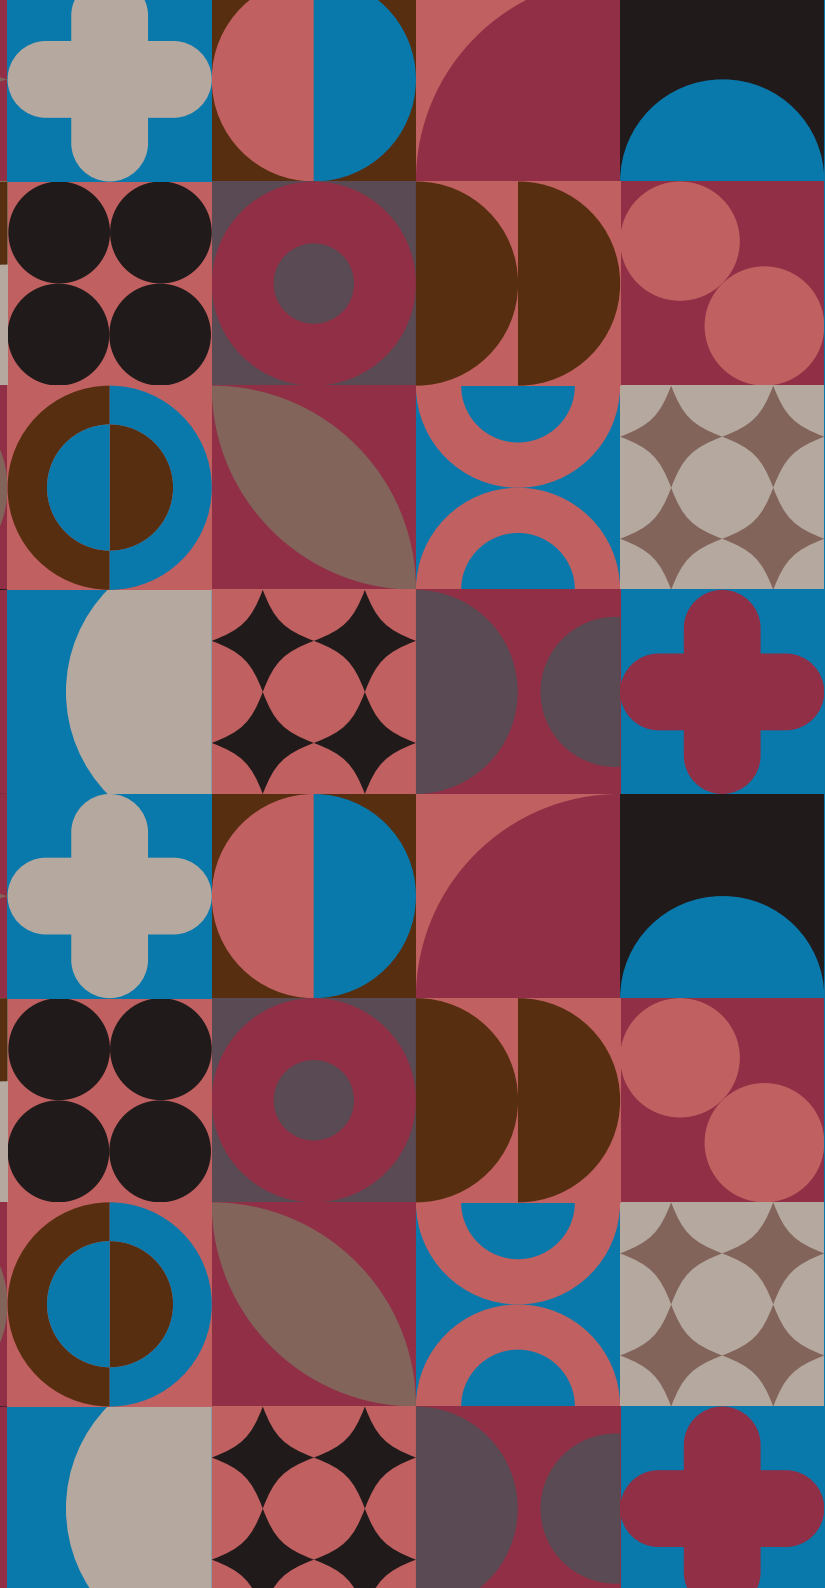

Because when everything
is crafted with care,
you can see it.
And feel it.

Clean lines, sculpted shapes,
details that speak for themselves.
The PIN Collection is designed
for those who don't need to
overdo it to be noticed.
This is the meaning of

BOLD attitude

a strong presence, never
forced. Every curve has
intent, every dot is a
signature mark.
With PIN, character isn't
explained — it's worn.
