THE SMART STYLE **REVOLUTION.**

From HJ Eyewear comes HJ TECH: smart eyewear that blends advanced technology with contemporary style. These aren't just ordinary smart glasses, but carefully designed models for those who want hands-free functionality without sacrificing elegance. With HJ TECH, connecting, listening, and moving becomes natural, effortless, and truly cool.

A woman with long dark hair, wearing dark sunglasses and a dark blue tracksuit, stands in a subway station. She is wearing large headphones. The background shows a subway train and platform lights. The text "WEAR THEM. LISTEN. LIVE CONNECTED." is overlaid in white, bold, sans-serif font. There are also some faint, stylized white lines in the background.

**WEAR THEM.
LISTEN.
LIVE CONNECTED.**

ALL THE TECHNOLOGY YOU NEED. **ZERO HASSLE.**

HJ TECH simplifies your life: music, calls,
and notifications always at your fingertips.
No app, no clutter.
Just what you need, when you need it.

LISTEN MUSIC

Listen to your favorite music freely and stay connected to the world around you.

NAVIGATION

Follow directions with voice guidance, hands-free and eyes forward.

AUDIO MESSAGES

Listen to and reply to messages, staying connected at all times.

CALLS

Stay connected with the people you love, without interrupting what you're experiencing.

SMART EYEWEAR, **EASY TO USE.**

Just put them on, connect via Bluetooth, and you're ready to listen to music, answer a call, or receive voice messages. The open-ear audio system keeps you connected to the world around you, with no apps and no hassle. With HJ TECH, smart eyewear meets style—directly on you.

A vibrant, high-angle photograph of a woman with voluminous curly hair and dark sunglasses, smiling as she skateboards down a city street. She is wearing a blue and white striped tank top and orange cargo pants. Her arms are outstretched to the sides. In the background, another person is partially visible, also on a skateboard. The scene is bright and sunny, with a blurred urban background.

BLUETOOTH.
NO APPS.
JUST FREEDOM.

WAVE / SONIC / EVA / ZEPHYR

HJ TECH smart eyewear combines design and technology in a unique everyday experience. Connected to your smartphone, it lets you manage communication, entertainment, and navigation with ease and discretion — without the need for any external devices.

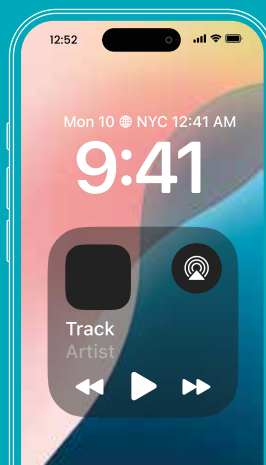

BLUETOOTH CONNECTION

With a fast and stable connection to your smartphone, HJ TECH glasses become a natural extension of your device. In just seconds, you're connected and ready to enjoy music, calls, and smart features anytime.

MUSIC

Bring your personal soundtrack everywhere. Listen to your favorite songs, pause, or skip tracks without taking out your phone, for a seamless listening experience.

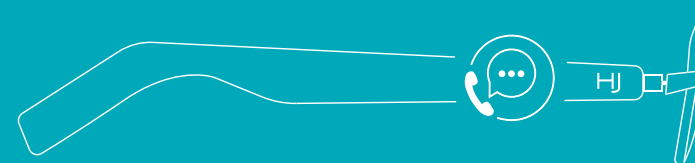

AUDIO MESSAGES

With HJ TECH, you can listen to your voice messages directly through the smart eyewear. A practical and discreet way to stay updated and connected, without reaching for your phone.

HANDS-FREE CALLS

Handling calls has never been easier. Answer, reject, or end a call directly from your glasses, keeping your hands free to drive, work, or go about your day.

VOICE ASSISTANT

With a simple gesture, you can activate your smartphone's voice assistant. Ask for directions, send messages, check the weather, or manage your schedule — all naturally, without ever looking away from what matters.

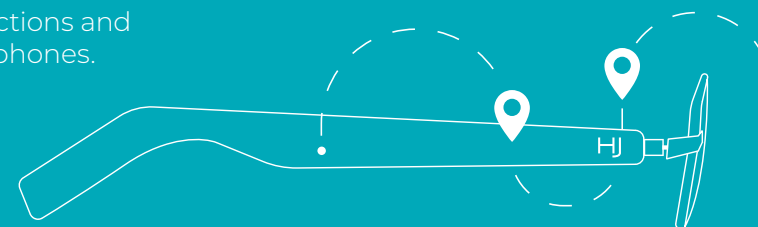

TRANSLATION

HJ TECH smart eyewear lets you access your smartphone's translation function with Google Translate. A useful tool for travel, study, or work, making it easier to understand texts and phrases in different languages without having to handle your phone directly.

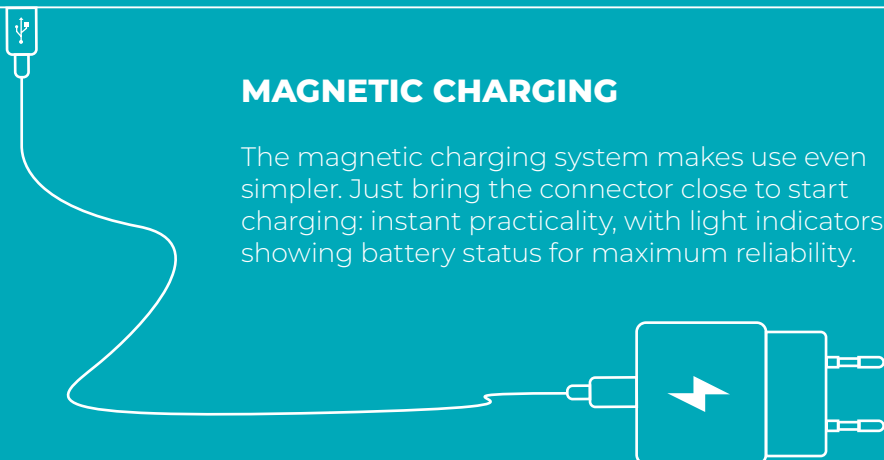

AUDIO NAVIGATION

HJ TECH glasses turn every journey into a safer, more intuitive experience. Voice guidance is delivered straight to your ear, letting you follow the route without visual distractions and without earphones.

MAGNETIC CHARGING

The magnetic charging system makes use even simpler. Just bring the connector close to start charging: instant practicality, with light indicators showing battery status for maximum reliability.
